Waterhog Stair Treads – Square Pattern

These Waterhog Stair Treads scrape dirt, mud and moisture from your shoes while offering a slip-resistant surface on residential stairs.

Square Pattern Waterhog Stair Treads perform well both indoors & outside. Waterhog Stair Treads are stain-, fade- and mildew-resistant thanks to their polypropylene surface and rubber backing.

- Stair treads boast crush-resistant, rubber-reinforced nubs in a waffle pattern.
- Protect your steps from wear & tear caused by debris, sand, moisture and grime with Waterhog stair treads.
- Each stair tread measures 8.5" x 30" - 2 stair treads per set.
- Low-profile construction allows doors to swing over the tread without catching.
- Constructed from fast-drying components which are easy to clean by simply shaking out or hosing off.

NOTE: The nitrile rubber underside certainly helps to keep these stair treads in place though Waterhog Stair Tread Tape is highly recommended.

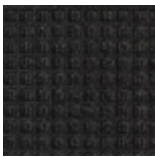

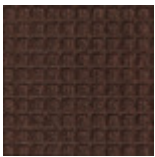

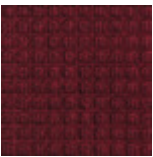

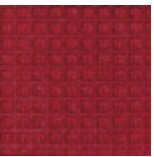

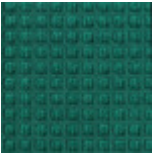

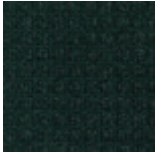

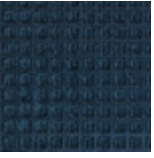

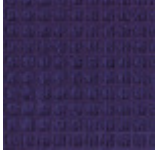

NOTE: These stair treads are intended for residential use.

Item No: W.WSTWP
